

PUBLIC NOTICE

RURAL MUNICIPALITY OF LOUISE

Snow Removal

The Council of the R.M. of Louise would like to remind residents and landowners that if clearing snow from a yard or lane, the snow should not be left on the municipal road allowance.

This causes a potential hazard to private vehicles as well as municipal equipment.

Any damages resulting from said actions may cause the individual to become personally liable.

If the municipality must clean up piled snow, the individual responsible for piling the snow will also be responsible for the costs of removal.
